**6. COUNCIL IS THE PRINCIPAL CLIENT**

Section 315 of the Montgomery County Charter states:

“The Council shall contract with, or otherwise employ, a certified public accountant to make annually an independent post-audit of all financial records and actions of the County, its officials and employees. The Council, through the Audit Committee, must be kept fully informed of any problems and issues arising during the course of any audits, as well as progress being made toward the completion of the audits.

**7. DETERMINATION OF RESPONSIBILITY**

The Offeror has the burden of demonstrating affirmatively its responsibility in connection with this solicitation. A debarred potential Offeror must automatically be considered non-responsible in connection with this solicitation. The County Council reserves the right to consider an Offeror non-responsible who has previously failed to perform properly or to complete, in a timely manner, contracts of a similar nature, or if investigation shows the Offeror unable to perform the requirements of the contract.

An Offeror may be requested at any time by the Director, Office of Legislative Oversight to provide additional information, references and other documentation and information that relate to the determination of responsibility. Failure of an Offeror to furnish requested information may constitute grounds for a finding of non-responsibility of the prospective Offeror.

- e. The sufficiency of financial resources of the Offeror to perform the contract or provide the services;
- f. The certification of an appropriate accounting system, if required by the contract type;
- g. A bid bond and the Offeror's evidence of ability to furnish a performance bond may be considered evidence of responsibility; and
- h. Past debarment by the County or other entity.

**22. INTELLECTUAL PROPERTY APPROVAL AND INDEMNIFICATION - INFRINGEMENT**

If contractor will be preparing, displaying, publicly performing, reproducing, or otherwise using, in any manner or form, any information, document, or material that is subject to a copyright, trademark, patent, or other property or privacy right, then contractor must: obtain all necessary licenses, authorizations, and approvals related to its use; include the County in any approval, authorization, or license related to its use; and indemnify and hold harmless the County related to contractor's alleged infringing or otherwise improper or unauthorized use. Accordingly, the contractor must protect, indemnify, and hold harmless the County from and against all liabilities, actions, damages, claims, demands, judgments, losses, costs, expenses, suits, or actions, and attorneys' fees and the costs of the defense of the County, in any suit, including appeals, based upon or arising out of any allegation of infringement, violation, unauthorized use, or conversion of any patent, copyright, trademark or trade name, license, proprietary right, or other related property or privacy interest in connection with, or as a result of, this contract or the performance by the contractor of any of its activities or obligations under this contract.

**23. NON-CONVICTION OF BRIBERY**

The contractor hereby declares and affirms that, to its best knowledge, none of its officers, directors, or partners or employees directly involved in obtaining contracts has been convicted of bribery, attempted bribery, or conspiracy to bribe under any federal, state, or local law.

**24. NON-DISCRIMINATION IN EMPLOYMENT**

The contractor agrees to comply with the non-discrimination in employment policies and/ or provisions prohibiting unlawful employment practices in County contracts as required by Section 11B-33 and Section 27-19 of the Montgomery County Code, as well as all other applicable state and federal laws and regulations regarding employment discrimination.

The contractor assures the County Council that, in accordance with applicable law, it does not, and agrees that it will not, discriminate in any manner on the basis of race, color, religious creed, ancestry, national origin, age, sex, marital status, disability, or sexual orientation.

The contractor must bind its subcontractors to the provisions of this section.

**25. PAYMENTS**

No payment by the County may be made, or is due, under this contract, unless funds for the payment have been appropriated and encumbered by the County Council. Under no circumstances will the County Council pay the contractor for legal fees. The contractor must not proceed to perform any work (provide goods, services, or construction) prior to receiving written confirmation that the County Council has appropriated and encumbered funds for that work. If the contractor fails to obtain this verification from the Contract Administrator prior to performing work, the County Council has no obligation to pay the contractor for the work.

If this contract provides for an additional contract term for contractor performance beyond its initial term, continuation of contractor's performance under this contract beyond the initial term is contingent upon, and subject to, the appropriation of funds and encumbrance of those appropriated funds for payments under this contract. If funds are not appropriated and encumbered to support continued contractor performance in a subsequent fiscal period, contractor's performance must end without further notice from, or cost to, the County Council or the County. The contractor acknowledges that the County Executive has no obligation to recommend, and the County Council has no obligation to appropriate, funds for this contract in subsequent fiscal years. Furthermore, the County Council has no obligation to encumber funds to this contract in subsequent fiscal years, even if appropriated funds may be available. Accordingly, for each subsequent contract term, the contractor must not undertake any performance under this contract until the contractor receives a purchase order or contract amendment from the Contract Administrator that authorizes the contractor to perform work for the next contract term.

The County is expressly permitted to pay the vendor for any or all goods, services, or construction under the contract through either a procurement card ("p-card") or a Single Use Account ("SUA") method of payment, if the contractor accepts the noted payment method from any other person. In that event, the County Council reserves the right to pay any or all amounts due under the contract by using either a p-card (except when a purchase order is required) or a SUA method of payment, and the contractor must accept the County's p-card or a SUA method of payment, as applicable. Under this paragraph, contractor is prohibited from charging or requiring the County Council to pay any fee, charge, price, or other obligation for any reason related to or associated with the County Council's use of either a p-card or a SUA method of payment.

**26. PERSONAL PROPERTY**

All furniture, office equipment, equipment, vehicles, and other similar types of personal property specified in the contract, and purchased with funds provided under the contract, become the property of the County Council upon the end of the contract term, or upon termination or expiration of this contract, unless expressly stated otherwise.

**27. PROTECTION OF PERSONAL INFORMATION BY GOVERNMENT AGENCIES**

In any contract under which Contractor is to perform services and the County Council or County may disclose to Contractor personal information about an individual, as defined by State law, Contractor must implement and maintain reasonable security procedures and practices that: (a) are appropriate to the nature of the personal information disclosed to the Contractor; and (b) are reasonably designed to help protect the personal information from unauthorized access, use, modification, disclosure, or destruction. Contractor's requirement to implement and maintain reasonable security practices and procedures must include requiring any third-party to whom it discloses personal information that was originally disclosed to Contractor by the County Council or the County to also implement and maintain reasonable security practices and procedures related to protecting the personal information. Contractor must notify the County and the Contract Administrator of a breach of the security of a system if the unauthorized acquisition of an individual's personal information has occurred or is reasonably likely to occur, and also must share with the County and the Contract Administrator all information related to the breach. Contractor must provide the above notification to the County as soon as reasonably practicable after Contractor discovers or is notified of the breach of the security of a system. Md. Code Ann., State Gov't. § 10-1301 through 10-1308 (2013).

**28. TERMINATION FOR DEFAULT**

The County Council may terminate the contract in whole or in part, and from time to time, whenever the County Council determines that the contractor is:

- (a) defaulting in performance or is not complying with any provision of this contract;
- (b) failing to make satisfactory progress in the prosecution of the contract; or
- (c) endangering the performance of this contract.

The County Council will provide the contractor with a written notice to cure the default. The termination for default is effective on the date specified in the County Council's written notice. However, if the County Council determines that default contributes to the curtailment of an essential service or poses an immediate threat to life, health, or property, the County Council may terminate the contract immediately upon issuing oral or written notice to the contractor without any prior notice or opportunity to cure. In addition to any other remedies provided by law or the contract, the contractor must compensate the County Council for additional costs that foreseeably would be incurred by the County Council whether the costs are actually incurred or not, to obtain substitute performance. A termination for default is a termination for convenience if the termination for default is later found to be without justification.

**29. TERMINATION FOR CONVENIENCE**

This contract may be terminated by the County Council, in whole or in part, upon written notice to the contractor, when the County Council determines this to be in its best interest. The termination for convenience is effective on the date specified in the County Council's written notice. Termination for convenience may entitle the contractor to payment for reasonable costs allocable to the contract for work or costs incurred by the contractor up to the date of termination. The contractor must not be paid compensation as a result of a termination for convenience that exceeds the amount encumbered to pay for work to be performed under the contract.

**30. TIME**

Time is of the essence.

**31. WORK UNDER THE CONTRACT**

Contractor must not commence work under this contract until all conditions for commencement are met, including execution of the contract by both parties, compliance with insurance requirements, encumbrance of funds, and issuance of any required notice to proceed.

**32. WORKPLACE SAFETY**

The contractor must ensure adequate health and safety training and/or certification, and must comply with applicable federal, state and local Occupational Safety and Health laws and regulations.

## SECTION C - SCOPE OF SERVICES

### BACKGROUND

**Introduction.** Montgomery County, Maryland is the most populated and affluent jurisdiction in the State of Maryland. The County contains 497 square miles and approximately 1,017,000 people. In the fall of 2014, 153,852 pupils were enrolled in the County's schools. The median household income (in 2013) was \$98,326. In September 2014, the County's labor force totaled approximately 529,000, with an unemployment rate of 4.5%.

The Charter, the governing authority of the County, provides for separate legislative and executive branches of government. Legislative power is vested in an elected County Council and executive power in an elected County Executive. Under the County Charter, the County Executive develops and recommends budget proposals and the Council authorizes expenditures and sets property tax rates. It is the fiscal policy of Montgomery County to balance the budget, such that no deficit is planned or incurred.

The Charter provides for an annual six-year Public Services Program, Operating Budget, Capital Budget, and biennial six-year Capital Improvements Program (CIP). These budgets and plans provide the basis for understanding, coordinating, and controlling County government expenditures and programs. County Government program areas include:

- Education,
- Public safety,
- Public works and transportation,
- Culture and recreation,
- Health and human services,
- Community development and housing,
- Environment, and
- General government services.

**SECTION C - SCOPE OF SERVICES** (continued)

The focus in the fund financial statements is on the major funds, with major funds reported separately and all other funds combined into a single, aggregated presentation. The County has the following three types of funds:

- **Governmental Funds** – Most of the County's basic services are included in Governmental Funds. The three major governmental funds are the General Fund, Debt Service Fund, and Capital Projects Fund.
- **Proprietary Funds** – Proprietary Funds consist of enterprise funds and internal service funds. The County has three major enterprise funds, including liquor control, solid waste disposal and collection, and parking lot districts. The internal service funds account for the provision of liability and property insurance coverage, employee health benefits, motor pool services, and central duplicating services.
- **Fiduciary Funds** – Fiduciary Funds are used to account for resources held for the benefit of parties outside the government. They consist of pension and other employee benefit trusts, an investment trust, private purpose trusts, and agency funds.

The County prepares and presents its Comprehensive Annual Financial Report (CAFR) consistent with Generally Accepted Accounting Principles for governments, as set forth by the Governmental Accounting Standards Board (GASB). Montgomery County, Maryland has received the Government Finance Officers Association's (GFOA) Certificate of Achievement for Excellence in Financial Reporting 45 times, more than any other county in the nation.

The County also manages and accounts for its Operating and Capital Budgets in accordance with Generally Accepted Accounting Principles. Montgomery County has received the GFOA Distinguished Budget Presentation award consecutively since 1984, the year the program was established.

**Pension and Deferred Compensation Benefits.** The County sponsors two cost-sharing multiple-employer pension plans, in which other agencies and political subdivisions have the right to elect participation. The County prepares a separate Comprehensive Annual Financial Report (CAFR) for the Montgomery County Employee Retirement Plans.

The Employees' Retirement System of Montgomery County is a defined benefit pension plan. The plan is closed to employees hired on or after October 1, 1994 (except public safety bargaining unit employees). The Guaranteed Retirement Income Plan, a cash balance plan option, covers non-public safety and certain public safety (non-bargaining unit) employees hired on or after October 1, 1994 who elect to participate. The plan's assets are exclusively managed by the Board of Investment Trustees, which consists of thirteen trustees and functions as part of the County. The annual contribution required for this plan is based on an actuarial valuation.

The Employees' Retirement Savings Plan, a defined contribution plan, also covers non-public safety and certain public safety (non-bargaining unit) employees hired on or after October 1, 1994 who elect to participate. The Board of Investment Trustees selects a slate of investment options for participating employees in the RSP.

All component unit organizations participate in various pension plans, either directly in their own plan or through participation in pension systems of Montgomery County or the State of Maryland. The Housing Opportunities Commission and Montgomery County Revenue Authority participate in the Employees' Retirement System or Employees' Retirement Savings Plan of Montgomery County.

The County sponsors the Montgomery County Deferred Compensation Plan pursuant to Section 457 of the Internal Revenue Code. The assets are held in trust for the sole benefit of participants and their beneficiaries. Trust responsibilities are assigned to the Board of Investment Trustees.

**ATTACHMENT B**

Minority-Owned Business Addendum to the General Conditions of Contract between County and Contractor, and its companion document "Minority, Female, Disabled Person Subcontractor Performance Plan"

A. While this contract is not subject to the Montgomery County Code and the Montgomery County Procurement Regulations, Offerors for this contract are required to participate in the Minority-Female-Disabled Person (MFD) procurement program.

B. Contractor must subcontract a percentage goals listed below of the total dollar value of the contract, including all modifications and renewals, to certified minority owned businesses. The MFD subcontracting goal may be waived under appropriate circumstances by submission of a letter to the Contract Administrator. The letter must explain why a waiver is appropriate. The Director of the Office of Legislative Oversight or designee may waive, in whole or in part, the MFD subcontracting goal if the Director determines that a waiver is appropriate using guidance from Section 7.3.3.5 of the Montgomery County Procurement Regulations. In determining if a waiver should be granted, the Director may require the Contractor to submit additional information; the Director may require the Contractor to submit some or all of this information on forms approved by the Director.

Below are goals set for each purchasing category for the total value and life of the contract award:

- |                             |            |
|-----------------------------|------------|
| • Construction              | <b>27%</b> |
| • Professional Services     | <b>18%</b> |
| • Non-professional Services | <b>25%</b> |
| • Goods                     | <b>14%</b> |

C. The attached MFD Subcontractor Performance Plan, which must be approved by the Contract Administrator, is an integral part of the contract between County and Contractor. In a multi-term contract, Contractor must submit a MFD Subcontract Performance Plan to be in effect for the life of the contract, including any renewal or modification.

D. Contractor must include in each subcontract with a minority owned business a provision that requires the use of binding arbitration with a neutral arbitrator to resolve disputes between the Contractor and the minority owned business subcontractor. This arbitration provision must describe how the cost of dispute resolution will be apportioned; the apportionment must not, in the judgment of the Director, attempt to penalize a minority owned business subcontractor for filing an arbitration claim.

E. County approval of the MFD Subcontractor Performance Plan does not create a contractual relationship between the County and the minority owned business subcontractor.

F. Contractor must notify and obtain prior written approval from the Director regarding any change in the MFD Subcontractor Performance Plan.

G. Before receiving final payment under this contract, Contractor must submit documentation showing compliance with the MFD Subcontracting Performance Plan. Documentation may include, at the direction of the Director, invoices, copies of subcontracts with minority owned businesses, cancelled checks, affidavits executed by minority owned business subcontractors, waivers, and arbitration decisions. The Director may require Contractor to submit periodic reports on a form approved by the Director. The Director may conduct an on-site inspection for the purpose of determining compliance with the MFD Subcontractor Performance Plan. If this is a multi-term contract, final payment means the final payment due for performance rendered for each term of the contract.

If the Contractor fails to submit documentation demonstrating compliance with the MFD Subcontractor Performance Plan, to the satisfaction of the Director, after considering relevant waivers and arbitration decisions, the Contractor is in breach of this contract. In the event of a breach of contract under this addendum, the Contractor must pay to the County liquidated damages equal to the difference between all amounts the Contractor has agreed under its Plan to pay minority owned business subcontractors and all amounts actually paid minority owned business subcontractors with appropriate credit given for any relevant waiver or arbitration decision. Contractor and County acknowledge that damages which would result to the County as a result of a breach under this addendum are difficult to ascertain, and that the liquidated damages provided for in this addendum are fair and reasonable in estimating the damage to the County of a breach of this addendum by Contractor. In addition, the County may terminate the contract. As the result of a breach under this addendum, The Director of the Department of General Services must find the Contractor non-responsible for purposes of future procurement with the County for the ensuing three years.

**Wage Requirements for Services Contract  
Addendum to the General Conditions of Contract between County Council and Contractor**

- A. While this contract is not subject to the Montgomery County Code and the Montgomery County Procurement Regulations, Offerors for this contract are required to certify that they comply with the requirements in Section 11B-33A of the Montgomery County Code.
- B. Conflicting requirements (11B-33A (g)): If any federal, state, or County law or regulation requires payment of a higher wage, that law or regulation controls. If any applicable collective bargaining agreement requires payment of a higher wage, that agreement controls.
- C. A nonprofit organization that is exempt from the Wage Law under 11B-33A must specify the wage the organization intends to pay to those employees who will perform direct, measurable work under the contract, and any health insurance the organization intends to provide to those employees. Section 11B-33A (b)(3) & (c)(2).
- D. A contractor must not split or subdivide a contract, pay an employee through a third party, or treat an employee as a subcontractor or independent contractor, to avoid the imposition of any requirement in 11B-33A.
- E. Each contractor and subcontractor must certify that it is aware of and will comply with the applicable wage requirements and keep any verifiable records necessary to show compliance, producible upon request of the Director of the Office of Legislative Oversight.
- F. An employer must comply with Section 11B-33A during the initial term of the contract and all subsequent renewal periods, and must pay the adjusted wage rate increase required under 11B-33A (e)(2), if any, which is effective July 1 of each year. The County will adjust the wage rate by the annual average increase in the Consumer Price Index for all urban consumers for the Washington-Baltimore metropolitan area, or successor index, for the previous calendar year and must calculate the adjustment to the nearest multiple of 5 cents.
- G. An employer must not discharge or otherwise retaliate against an employee for asserting any right, or filing a complaint of a violation, under the WRL.
- H. The sanctions under Section 11B-33 (b), which apply to noncompliance with nondiscrimination requirements, apply with equal force and scope to noncompliance with the wage requirements of 11B-33A.
- I. The County may assess liquidated damages for any noncompliance by contractor or its subcontractor with Section 11B-33A based on the rate of 1% per day of the total contract amount, or the estimated annual contract value of a requirements contract, for each day of the violation. This liquidated damages amount includes the amount of any unpaid wages, with interest. In the event of a breach of contract under this paragraph, the Contractor must pay to the County liquidated damages noted above, in addition to any other remedies available to the County. Contractor and County acknowledge that damages that would result to the County as a result of a breach under this paragraph are difficult to ascertain, and that the liquidated damages provided for in this paragraph are fair and reasonable in estimating the damage to the County resulting from a breach of this paragraph by Contractor. If a WRL compliance audit determines that the Contractor has violated requirements of the WRL, including but not limited to the wage requirements, the County may assess the Contractor for the cost incurred by the County in conducting the audit. In addition, the contractor is jointly and severally liable for any noncompliance by a subcontractor. Furthermore, Contractor agrees that an aggrieved employee, as a third-party beneficiary, may by civil action against the violating contractor or subcontractor enforce the payment of wages due under Section 11B-33A and recover from the Contractor or subcontractor any unpaid wages with interest, a reasonable attorney's fee, and damages for any retaliation by the Contractor or subcontractor arising from the employee asserting any right, or filing a complaint of violation, under 11B-33A.
- J. The Director may conduct random audits to assure compliance with Section 11B-33A. The Director may conduct an on-site inspection(s) for the purpose of determining compliance. Some of the documents that may be required during an audit are listed on the Living Wage FAQ web page: <http://www.montgomerycountymd.gov/PRO/OBRC/LivingWage.html>.

**RFP #425820958**

- K. The Contractor is in breach of this contract if the Contractor fails to submit timely documentation demonstrating compliance with Section 11B-33A to the satisfaction of the Director, including: the Wage Requirements Law Payroll Report Form (PMMD-183), which is required to be submitted by the end of the month (January, April, July, October) following each quarter; documents requested in conjunction with a random or compliance audit being conducted by the County; or documents otherwise requested by the Director. In the event of a breach of contract under this paragraph, or for any other violation of the WRL, the County may assess against, or withhold from payment to, Contractor, the liquidated damages noted in paragraph I. above, in addition to any other remedies available to the County. Contractor and County acknowledge that damages that would result to the County as a result of a breach under this paragraph are difficult to ascertain, and that the liquidated damages provided for in this paragraph are fair and reasonable in estimating the damage to the County resulting from a breach of this paragraph by Contractor.

In the event that you, the "Offeror," are awarded the contract and become a Contractor, YOU MUST MARK ☒ or ☒ in ALL BOXES BELOW that apply.

☐ A. Wage Requirements Compliance

This Contractor, as a "covered employer", will comply with the requirements under County Code Section 11B-33A, "Wage Requirements" ("Wage Requirements Law" or WRL). Contractor and its subcontractors will pay all employees not exempt under the WRL, and who perform direct measurable work for the County, the required wage rate effective at the time the work is performed. The offer price(s) submitted under this solicitation include(s) sufficient funds to meet the requirements of the WRL. A "covered employer" must submit (preferably via email) quarterly (by the end of January, April, July, and October for the quarter ending the preceding month) certified payroll records for each payroll period and for all employees of the contractor or a subcontractor performing services under the County contract governed by the Wage Requirements Law, to the Office of Business Relations and Compliance, Attn: Wage Law Program Manager. These payroll records must include the following: name; position/title; gender/race (for contracts awarded after October 1, 2015); daily straight-time hours worked; daily overtime hours worked; straight-time hourly pay rate; overtime hourly pay rate; both employer and employee share of health insurance premium; and total gross wages paid for each period. A sample of the Payroll Report Form can be found at the below link. (<http://www.montgomerycountymd.gov/PRO/OBRC/LivingWage.html>). In lieu of the Payroll Report Form, payroll registers generally satisfy the requirement. Late submission or non-submission of this information, or any other violation of the WRL, may result in the County withholding contract payments and additional actions by the County, including but not limited to: assessing liquidated damages, terminating the contract, or otherwise taking action to enforce the contract or the Wage Requirements Law. The Contractor must ensure that NO Social Security number of any person, other than the last four digits, is included on the quarterly report.

☐ B. Exemption Status (if applicable)

This Contractor is exempt from Section 11B-33A, "Wage Requirements," because it is:

1. Reserved – [Intentionally left blank].
- ☐ 2. a contractor who, at the time a contract is signed, has received less than \$50,000 from the County in the most recent 12-month period, and will be entitled to receive less than \$50,000 from the County under that contract in the next 12-month period. Section 11B-33A (b)(1);
- ☐ 3. a public entity. Section 11B-33A (b)(2).
- ☐ 4. a non-profit organization that has qualified for an exemption from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Section 11B-33A (b)(3) (**must complete item C below**).
- ☐ 5. an employer expressly precluded from complying with the WRL by the terms of any federal or state law, contract, or grant. Section 11B-33A (b)(7) (**must specify the law, or furnish a copy of the contract or grant**).

**RFP #425820958**

- ☐ C. Nonprofit Wage & Health Information  
This Contractor is a non-profit organization that is exempt from coverage under Section 11B-33A (b)(3). Accordingly, the contractor has completed the 501 (c)(3) Nonprofit Organization's Employee's Wage and Health Insurance Form, which is attached. See Section 11B-33A (c)(2).
- ☐ D. Nonprofit's Comparison Price(s) (if desired)  
This Contractor is a non-profit organization that is opting to pay its covered employees the hourly rate specified in the wage requirements. Accordingly, Contractor is duplicating the blanket-cost quotation sheet on which it is submitting its price(s) in the RFP, and is submitting on this duplicate form its price(s) to the County had it not opted to pay its employees the hourly rate specified in the WRL. For proposal evaluation purposes, this price(s) will be compared to price(s) of another nonprofit organization(s) that is paying its employees an amount consistent with its exemption from paying the hourly rate under the WRL. This revised information on the duplicate cost sheet must be clearly marked as your nonprofit organization comparison price(s). In order for the County to compare your price(s), the revised information on the duplicate cost sheet must be submitted with your offer on or before the offer opening date, must show how the difference between your nonprofit organization price(s) and other organization comparison price(s) was calculated. Section 11B-33A (c)(2).
- ☐ E. Wage Requirements Law Reduction (not applicable after July 22, 2015)  
This Contractor is a "covered employer", and it desires to reduce its hourly rate paid under the WRL by an amount equal to, or less than, the per employee hourly cost of the employer's share of the health insurance premium. Contractor certifies that the per employee hourly cost of the employer's share of the premium for that insurance is: \$ . Section 11B-33A (d) & (e).
- ☐ F. Sole Proprietorship  
Sole Proprietorships are subject to the Wage Requirements Law. In order to be excused from the posting and reporting requirements of the WRL, the individual who is the sole proprietor must sign the certifications below in order to attest to the fact that the Sole Proprietorship:
- (1) is aware of, and will comply with, the Wage Requirements Law;
  - (2) has no employees other than the sole proprietor; and
  - (3) will inform the Montgomery County Office of Business Relations and Compliance if the sole proprietor employs any workers other than the sole proprietor.

G. Business Associate must, and is expected to, directly and independently fulfill all notification requirements under HIPAA.

H. In the event of a Breach, Security Incident, or use or disclosure of PHI not provided for by this Agreement, Business Associate must mitigate, to the extent practicable, any harmful effects of said disclosure that are known to it.

I. In accordance with 45 CFR §§ 164.502(e)(1)(ii) and 164.308(b)(2), Business Associate agrees to ensure that any agent, subcontractor, or employee to whom it provides PHI (received from, or created or received by, Business Associate on behalf of Covered Entity) agrees to the same restrictions, conditions, and requirements that apply through this Agreement to Business Associate with respect to such information.

J. Business Associate must ensure that any contract or other arrangement with a subcontractor meets the requirements of paragraphs 45 CFR §164.314(a)(2)(i) and (a)(2)(ii) required by 45 CFR § 164.308(b)(3) between a Business Associate and a subcontractor, in the same manner as such requirements apply to contracts or other arrangements between a Covered Entity and Business Associate.

L. To the extent applicable, Business Associate must provide access to PHI in a Designated Record Set at reasonable times, at the request of Covered Entity or as directed by Covered Entity, to an Individual specified by Covered Entity in order to meet the requirements under 45 CFR § 164.524.

#### **IV. TERM AND TERMINATION.**

A. Term. The Term of this Agreement shall be effective as of the effective date of the Underlying Agreement, and shall terminate: (1) when all of the PHI provided by Covered Entity to Business Associate, or created or received by Business Associate on behalf of Covered Entity, is destroyed or returned to Covered Entity; or, (2) if it is infeasible to return or destroy PHI, in accordance with the termination provisions in this Article IV.

B. Termination for Cause. Upon Covered Entity's knowledge of a material breach of this Agreement by Business Associate, Covered Entity shall:

1. Provide an opportunity for Business Associate to cure the breach or end the violation and, if Business Associate does not cure the breach or end the violation within the time specified by Covered Entity, have the right to terminate this Agreement and to terminate the Underlying Agreement, and shall report the violation to the Secretary;

2. Have the right to immediately terminate this Agreement and the Underlying Agreement if Business Associate has breached a material term of this Agreement and cure is not possible, and shall report the violation to the Secretary; or

3. If neither termination nor cure is feasible, report the violation to the Secretary.

4. This Article IV, Term and Termination, Paragraph B, is in addition to the provisions set forth in Paragraph 27, Termination for Default of the General Conditions of Contract Between County and Contractor, attached to the Underlying Agreement, in which "Business Associate" is "Contractor" and "Covered Entity" is "County" for purposes of this Agreement.

**C. Effect of Termination.**

1. Except as provided in Section IV.C.2, upon termination or cancellation of this Agreement, for any reason, Business Associate must return or destroy all PHI received from Covered Entity, or created or received by Business Associate on behalf of Covered Entity. This provision applies to PHI that is in the possession of a subcontractor(s), employee(s), or agent(s) of Business Associate. Business Associate must not retain any copies of the PHI.

2. In the event that Business Associate determines that returning or destroying the PHI is infeasible, Business Associate must provide to Covered Entity written notification of the nature of the PHI and the conditions that make return or destruction infeasible. After written notification that return or destruction of PHI is infeasible, Business Associate must extend the protections of this Agreement to such PHI and limit further use(s) and disclosure(s) of such PHI to those purposes that make the return or destruction infeasible, for so long as Business Associate maintains such PHI. Notwithstanding the foregoing, to the extent that it is not feasible to return or destroy such PHI, the terms and provisions of this Agreement survive termination of this Agreement with regard to such PHI.

3. Should Business Associate violate this Agreement, HIPAA, the Underlying Agreement, the MCMRA, or other applicable law, Covered Entity has the right to immediately terminate any contract then in force between the Parties, including the Underlying Agreement.

**V. CONSIDERATION.** Business Associate recognizes that the promises it has made in this Agreement shall, henceforth, be reasonably, justifiably, and detrimentally relied upon by Covered Entity in choosing to continue or commence a business relationship with Business Associate.

**VI. CAUSES OF ACTION IN THE EVENT OF BREACH.** As used in this paragraph, the term "breach" has the meaning normally ascribed to that term under the Maryland law related to contracts, as opposed to the specific definition under HIPAA related to PHI. Business Associate hereby recognizes that irreparable harm will result to Covered Entity in the event of breach by Business Associate of any of the covenants and assurances contained in this Agreement. As such, in the event of breach of any of the covenants and assurances contained in this Agreement, Covered Entity shall be entitled to enjoin and restrain Business Associate from any continued violation of this Agreement. Furthermore, in the event of breach of this Agreement by Business Associate, Covered Entity is entitled to reimbursement and indemnification from Business Associate for Covered Entity's reasonable attorneys' fees and expenses and costs that were reasonably incurred as a proximate result of Business Associate's breach. The causes of action contained in this Article VI are in addition to (and do not supersede) any action for damages and/or any other cause of action Covered Entity may have for breach of any part of this Agreement. Furthermore, these provisions are in addition to the provisions set forth in Paragraph 18, "Indemnification", of the General Conditions of Contract Between County and Contractor, attached to the Underlying Agreement in which "Business Associate" is "Contractor" and "Covered Entity" is "County", for purposes of this Agreement.

**VII. MODIFICATION; AMENDMENT.** This Agreement may be modified or amended only through a writing signed by the Parties and, thus, no oral modification or amendment hereof shall be permitted. The Parties agree to take such action as is necessary to amend this Agreement, from time to time, as is necessary for Covered Entity to comply with the requirements of HIPAA, including its Privacy, Security, and Notice Rules.

**VIII. INTERPRETATION OF THIS AGREEMENT IN RELATION TO OTHER AGREEMENTS BETWEEN THE PARTIES.** Should there be any conflict between the language of this Agreement and any other contract entered into between the Parties (either previous or subsequent to the date of this Agreement), the language and provisions of this Agreement, along with the Underlying Agreement, shall control and prevail unless the Parties specifically refer in a subsequent written agreement to this Agreement, by its title, date, and substance and specifically state that the provisions of the later written agreement shall control over this Agreement and Underlying Agreement. In any event, any agreement between the Parties, including this Agreement and Underlying Agreement, must be in full compliance with HIPAA, and any provision in an agreement that fails to comply with HIPAA will be deemed separable from the document, unenforceable, and of no effect.

**IX. COMPLIANCE WITH STATE LAW.** The Business Associate acknowledges that by accepting the PHI from Covered Entity, it becomes a holder of medical records information under the MCMRA and is subject to the provisions of that law. If HIPAA conflicts with another applicable law regarding the degree of protection provided for Protected Health Information, Business Associate must comply with the more restrictive protection requirement.

**X. MISCELLANEOUS.**

A. Ambiguity. Any ambiguity in this Agreement shall be resolved to permit Covered Entity to comply with HIPAA.

B. Regulatory References. A reference in this Agreement to a section in HIPAA means the section in effect, or as amended.
